- WORKS WITHIN 24 HOURS
- NO MESSY SPRAYING

Algae Remover Concentrate is a professional strength algae, mould and lichen killer. This easy to use formula can be used on paths, patios, decking, walls, roofs and even garden furniture with ease. Leaves the surface bright, clean and free from contamination. For use as a surface Biocide.

BENEFITS

- Powerful and effective
- No scrubbing or power washing needed
- Does not alter the appearance
- Fast acting and long lasting continuing to work for up to 24 months
- Works on most surfaces
- Low odour
- Concentrated

APPLICATION

- Shake well before use
- Dilute ratio 1:10 with water for normal use (this can be amended depending on surface this is being applied to and amount of growth)
- Apply using a spray, watering can or brush saturating the surface.
- Leave the product to do the work. Visible difference within 24 hours, Algae Remover Concentrate will continue to clean and revive weeks to come.
- Continues to work for up to 24 months

STORAGE

24 months from the date of manufacture in original unopened container in a clean, dry area. Do not store below 5°C.
