

## SP25

# Heavy Duty Cleaner

R09 is a powerful and effective degreasing cleaner, it will remove stubborn greasy stains and soiling. Heavy duty cleaning of stone, decking, tiles and grout. Ideal for bringing PVC conservatories back to a new look. The unique formulation continues to work for weeks after use so the surface can stay cleaner for longer

### How to use:

Always test on a small hidden portion of the surface to be cleaned to check compatibility and performance before commencing with the whole area. Keep away from shrubs, plants and grass. Do not use on aluminium or marking may occur.

Can be used neat on heavy contamination or can be diluted by adding 1 part product with up to 20 parts water depending on the staining to be removed

- Use a spray or brush. Apply R09 liberally and allow to act for 1-2 minutes for lightly soiled surfaces or 5-10 minutes for heavily soiled surfaces.
- For removing deep penetrating lubricating oil and stains, it may be necessary to apply the product twice allowing 10 minutes between applications
- Agitate with a firm bristle brush and rinse down thoroughly with clean water
- For stubborn patches: apply neat, leave 30 minutes, reapply and leave a further 30 minutes
- For best results on drives, patios and block paving use a pressure washer

### Precautions for use:

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS).

### Cleaning of equipment:

Clean tools and equipment immediately after use with water. Always read safety instructions before use. Keep away from shrubs, plants and grass. Do not use on aluminium or marking may occur.

### Storage:

Keep out of reach of children  
Keep in a dry place between 5°C and 30°C in the original container.

### Perfect for use on:

- Concrete
- Stone
- Marble
- Granite
- Terracotta
- Tiling
- Paving
- PVC
- Timber decking

### Benefits:

- Extremely concentrated and effective cleaner and degreaser
- Does not alter the appearance of natural stone, granite, marble etc...
- Fast acting
- Low odour
- Biodegradable

### Product Characteristics

Colour	Pale Gold
Odour	Characteristic Odour
Form	Liquid
PH	13.5
Specific Gravity @ 25°C	1.00
Shelf Life	24 Months from the date of manufacture in the original unopened container - keep away from children
Application Temperatures	Minimum +5°C Maximum 30°C
Coverage	Approx. 5 - 15m <sup>2</sup> per litre depending on the surface.
