

HIGH PERFORMANCE

Glass Cleaner

A highly effective, streak and residue free glass cleaner, ideal for use on all kinds of automotive glass and interior shiny surfaces.

Designed to clean and remove dirt and grime in one application without leaving any residue, simply spray on and wipe off to leave a clean streak and bloom free surface.

This abrasive and ammonia free formula is safe for use on perspex and tinted windows

How to Use

Working on one window at a time, spray a light even coat across the glass

Using a clean microfibre cloth, buff the surface until no solution remains

For use on interior screens

Spray the product on to the microfibre cloth first, then buff the surface until no solution remains.

Precautions for use

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS).

Important

Always test on a small hidden portion of the surface to be cleaner to check compatibility and performance before commencing with the whole area. Use out of direct sunlight. Do not apply to hot surfaces.

Benefits

- Smear free finish
- Easy and safe to use.
- Water based
- Supplied ready to use
- Keeps glass cleaner for longer, reducing cleaning cycles

Product Characteristics

Colour	Clear
Odour	Low
Form	Liquid
Application Temperature	Between 5°C and 30°C
Shelf Life	24 Months from the date of manufacture in the original unopened container. Do not store below 5° c. Keep out of the reach of children.
PH	8
Specific Gravity @ 25 oC	0.984
