# Clean + Deodorise for Artificial Grass and Decking

Designed to clean and revive artificial grass, its powerful ingredients will neutralise odours, leaving a refreshing odour behind.

**How to use:**

- Shake the container well before use
- Add two 60ml concentrate to 1 litre of clean water for light soiling and maintenance or four 60ml concentrate to 1 litre of clean water for heavy soiling.
- Apply liberally using a low-pressure hand spray or watering can.
- Allow to act for 10 minutes if lightly soiled or 30 minutes if heavily soiled.
- Agitate with a firm bristle brush and rinse down thoroughly with clean water.

**Important Information**

KEEP AWAY from shrubs, plants and grass.

Always test on a small hidden portion of the surface to be cleaner to check compatibility and performance before commencing with the whole area.

Keep pets and children away until surface is fully dry. Ideal operating temperature between 10°C and 25°C. If using externally do not apply during rain, frost or when surface and air temperature is below 5°C. If used in cooler temperatures effectiveness may be reduced and longer cleaning time may be required.

**Precautions for use:**

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS).

**Cleaning of equipment:**

Clean tools and equipment immediately after use with water.

**Benefits:**

- Water based
- Powerful and effective cleaning
- For use on artificial grass, astroturf and most plastic surfaces including plastic decking.
- Non acid
- Non caustic
- Fast acting and safer to use
- Freshly Cut Grass Odour
- Biodegradable

**Storage:**

Keep out of reach of children  
Keep in a dry place between 5°C and 30°C in the original container.

**Coverage**

Approx. up to 120 m<sup>2</sup> per litre diluted - depending on the surface and level of soiling.

**Product Characteristics**

Colour	Clear/Green
Odour	Cut Grass
Form	Liquid
PH	7-8
Specific Gravity @ 25°C	1.01
Shelf Life	24 Months from the date of manufacture in the original unopened container - protect from frost
