

• **SPRAY AND WALK AWAY** •

Natural Moss + Algae Remover

A highly effective and easy to use algae remover, suitable for use on most surfaces, with an all natural formulation, Simply Spray & Walk Away, the product will do the rest.

Natural Moss & Algae Killer is professional strength algae, mould and lichen killer. It is formulated from natural ingredients, reducing its environmental impact. Ideal for use on paths, patio's, decking and walls.

Simply spray and walk away!

Surface Preparation

Brush away leaves, debris, any heavy growth, exposing moss stem structure before treatment.

Do not apply in damp/wet conditions or if rain is expected within four hours of application.

Always test a small inconspicuous area before use to ensure surface compatibility, performance and finish/texture is acceptable.

How to use

KEEP AWAY FROM GRASS, PLANTS, SHRUBS AND TREES

1. Apply using a spray, watering can or brush saturating the surface.
2. Leave the product to do the work. Visible difference within 24 hours. Continues to work for up to 12 months.

Precautions for use

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS).

Cleaning of equipment

Clean tools and equipment immediately after use with water. Always read safety instructions before use.

Important

Test a small area to ensure that no substrate damage occurs. Keep away from shrubs, plants and grass. Does not use on aluminium or marking may occur
