

Bio-Based Algae Cleaner

FORMULATED WITH NATURALLY BASED MATERIALS

This highly effective, natural algae cleaner contains a unique blend of oils and naturally derived surfactants. With their natural cleaning power this unique formulation provides superior performance on the removal of surface contaminants such as algae, mould, grime build-up and dirt.

A ready to use product with an easy, 2 step application.

How to use:

• Brush away leaves, debris, any heavy growth before cleaning. Surface must be dry before application. Always test a small inconspicuous area before use to ensure surface compatibility, performance and finish is acceptable.

1. Shake container well before use. Use neat as supplied, for light contamination dilute up to 3 parts water to 1 part product.

2. Apply using a spray or watering can ensuring the surface is saturated at a rate of 4 - 5 m² per litre for horizontal surfaces and up to 7m² per litre for vertical/ sloped surfaces

3. Leave the product to work for 24 hours, then remove product using a power washer or running water and a stiff brush

4. For ongoing maintenance - dilute 3 parts water to 1 part product. Leave for up to 24 hours & Rinse clean, for best results use a power washer

Precautions for use:

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS).

Storage

Keep out of reach of children. Keep in a dry place between 5°C and 30°C in the original container.

Important information:

Do not apply in damp/wet conditions or if rain is expected within six hours of application. Do not allow to come into direct contact with plants, shrubs or lawn - in the event this does happen wash down with clean water.

Keep children & pets away until the surface is completely dry.

Cleaning of equipment:

Remove as much excess product as possible and clean tools and equipment immediately after use with soapy water.

Benefits:

- Powerful and effective
- No scrubbing needed
- Does not discolour the surface
- Suitable for use on most surfaces
- Low odour
- Contains no bleach or ammonia
- Helps to remove natural contaminants such as algae, mould and lichen

Perfect for use on:

- Paths & Patios
- Decking
- Walls & Roofs
- Garden Furniture • Concrete
- Driveways
- Rendered Housing

Product Characteristics

Colour	Clear/Amber
Odour	Menthol / Eucalyptus
Form	Liquid
PH	5.5/6
Application Temperature	Between 5°C and 25°C
Shelf Life	24 Months from the date of manufacture in the original unopened container
Specific Gravity @ 25 °C	1.00
Coverage	4 - 7 m ² per litre
