

• **SPRAY AND WALK AWAY** •

Algae Remover

A professional strength algae, mould and lichen killer. This easy, ready to use formula can be used on paths, patio's, decking, walls, roofs and garden furniture with ease. Simply spray and walk away.

Leaves the surface bright, clean and free from contamination. For use as a surface Biocide.

Surface Preparation

Brush away leaves, debris, any heavy growth, exposing moss stem structure before treatment. Do not apply in damp/wet conditions or if rain is expected within four hours of application.

Always test a small inconspicuous area before use to ensure surface compatibility, performance and finish/ texture is acceptable.

How to use:

- Apply using a spray, watering can or brush, making sure to saturate the surface
- Leave the product to do the work. Visible difference within 24 hours, it will continue to clean and revive weeks to come
- Continues to work for up to 12 months

Precautions for use:

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS).

Cleaning of equipment:

Clean tools and equipment immediately after use with water. Always read safety instructions before use. Keep away from shrubs, plants and grass
