

CLEAN + PROTECT

Waterless Wax

A waterbased, solvent free, maintenance cleaner and treatment, containing highly refined carnauba wax.

Designed to clean and protect in one application, active ingredients protect the surface from scratching during the cleaning process, this unique formulation requires no rinsing, simply spray on and wipe off to leave a clean, sealed surface.

Suitable for use on most surfaces - marble, granite, quartz, wood, glass, worktops, walls, floors and furniture.

How to Use

Shake the bottle well before use. Ready to use product, do not dilute.

- Spray an even coat and leave for 30 - 40 seconds.
- Wipe off excess with a dry, soft cloth or kitchen towel.
- Buff with fresh, dry, clean cotton cloth or kitchen towel.

Cleaning of Equipment

Remove as much product as possible from application equipment before cleaning. Clean tools and equipment immediately after use with water.

Important

Always test on a small hidden portion of the surface to be cleaner to check compatibility and performance before commencing with the whole area. Use out of direct sunlight. Do not apply to hot or wet surfaces.

Precautions for use

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS).

Benefits

- Reduces water marks
- Reduces surface tension
- Reduces maintenance cycles
- Better scratch resistance
- Better water repellency
- Better dirt release
- Biodegradable
- Easy and safer to use
- Non caustic - non acid - water based
- Requires no rinsing

Product Characteristics

Colour	Off White
Odour	Characteristic
Form	Liquid
Application Temperature	Between 5°C and 25°C
Shelf Life	24 Months from the date of manufacture in the original unopened container. Do not store below 5° c. Keep out of the reach of children.
PH	7
Specific Gravity @ 25 °C	1.00
